Shopping at Stations

Nowadays, many large train stations in Japan have bakeries, bookstores, and other stores inside them. These stores are often small, but people can use them to do their daily shopping. As a result, people find stores at stations very convenient. Shopping at such stores will probably become more popular in the future.

A

B

【 Questions 】

No. 1 According to the passage, why do people find stores at stations very convenient?

— (Because) they can use them to do their daily shopping.

No. 2 Now, please look at the people in Picture A. They are doing different things.

Tell me as much as you can about what they are doing.

- A girl is walking a [her] dog [taking her dog for a walk].
- A man is taking off [putting on] his jacket.
- A boy is parking his bicycle.
- A boy is eating (some) ice cream.
