4 I think that more companies will allow employees to wear clothes like jeans or T-shirts. By doing so, they can make their workers happy. These clothes are more comfortable than dress clothes, so workers will be more relaxed and able to enjoy their work. Second, many companies want to help the environment. If employees are allowed to wear casual clothes, they will be cooler. Because of this, companies won't have to use air conditioners as much, which will reduce the amount of energy used. So, more companies will allow employees to wear casual clothes to work.
