		(29)	2
		(30)	1

4	A	(31)	4	B	(34)	2
		(32)	1		(35)	4
		(33)	3		(36)	1
			(37)		3	

5	I think towns and cities should have more parks. First, most parks have trees and flowers. These make cities and towns more beautiful. Also, when children go to parks, they can play with their friends. If there are more parks, children will be able to spend more time with their friends, so they will be happier.
