★What's the best way to get to Silver City from here, Amanda? I'm going there this weekend.

☆Well, it's too far to drive your car, and the bus takes too long. You could fly there, but that's so expensive. I recommend an express train. They go there every morning.

★In the morning? That would probably work well with my schedule.

☆Yeah, check the station's website for the departure time.

☆☆Question: How will the man probably get to Silver City?

☆☆No. 2

☆Welcome to Bayview Furniture. How may I help you?

★My wife and I are looking for a new sofa for our living room.

☆OK. Would you like a large one or a small one? And do you want one that can pull out into a bed?

★We want a large sofa that is big enough for three people to sit on comfortably. We don't need one that can change into a bed.

☆☆**Question:** What kind of sofa do the man and his wife want?

☆☆No. 3

★Excuse me, ma'am, is this seat taken? There aren't any other seats available on the train tonight.

☆No, it's not. You're welcome to sit here. I noticed the train was very crowded, too. I guess a lot of people are traveling for the holiday weekend.

★That's what I'm doing, actually. I'm going to visit my parents in London this weekend.

☆Really? I'm going there to see my family, too.

☆☆**Question:** What is one thing we learn about the man?

☆☆No. 4

★Abby, good job on getting a perfect score on our French test. I wish I could get good grades in French class like you do.

☆Thanks, James. I just prepare by studying for a few hours each week.

★Would you be my study partner? I'm having trouble with the lessons we're doing now.

☆Of course. Let's meet at the library after class and review them together.

☆☆**Question:** Why does the boy ask the girl for help?

☆☆No. 5

☆That was a really nice barbecue at the Johnsons' house yesterday, wasn't it?

★Good idea. And we could send them some of the pictures we took.

☆☆**Question:** What is one thing the man and woman will do?

☆☆No. 6

★Mom, can you wash my blue jeans? I want to wear them to Bobby's party on Saturday.

☆Why don't you wash them yourself?

★But I don't know how, Mom. Please!

☆You're going to college next year, Donnie, so you need to learn to do things for yourself. Come on, I'll show you how to use the washing machine.

☆☆Question: What does the woman tell her son?

☆☆No. 7

★Honey, this store sells so many different kinds of computers.

☆I know. I wonder what the differences are between them. Maybe we should go to a smaller store. There are just too many to choose from.

★Well, let's see if one of the store clerks can help us. Maybe they can give us some information.

☆That's a good idea. Look, here comes one now.

☆☆Question: What did the man and woman decide to do?

☆Alex, have you seen the boss today?

★Yeah, Mr. Bigley is in his office. He's in a really bad mood.

☆Oh no. I was going to ask him about getting a pay raise.

★Hmm. I don't think that would be a very good idea. He's upset about losing the ABC Computer contract. You should wait until he calms down a little.

☆☆Question: What advice does the man give the woman?

☆☆No. 9

★Hello. I saw the sign outside your restaurant, and I'm interested in working here.

☆Well, I'm the manager. We are looking for another waiter. Do you have any experience?
