		(32)	3		(35)	3
		(33)	1		(36)	1
			(37)		4	

5	<p>I think students should learn a foreign language at school. I have two reasons. First, students can ask their teachers questions easily in class. Their teachers will answer their questions quickly and give them useful advice. Also, students can practice the foreign language with their classmates. It is important for them to have many chances to use the language.</p>
