3	A	(26)	1
		(27)	2
B		(28)	3
		(29)	2
		(30)	3

4	A	(31)	1	B	(34)	2
		(32)	4		(35)	1
		(33)	4		(36)	4
			(37)		2	

5	<p>No, I do not think there should be more zoos in cities. I have two reasons. First, it costs money to build zoos and take care of animals. This could be spent on other things, such as keeping cities clean. Second, many cities do not have enough space for new zoos. Zoos need much land to keep animals healthy.</p>
