		(32)	1		(35)	1
		(33)	1		(36)	3
			(37)		1	

5	I think it is good for children to go shopping alone. First, children can learn how to use money. They have to think by themselves about what they can buy with their money. Second, they can have chances to communicate with many different people. For example, they sometimes have to ask the clerk about the things in the store.
