4	I agree that people are feeling more connected than before with the development of social media. First, social media makes it easy for people to communicate with others. People can find out how their families and friends are doing and communicate with them easily. Second, social media helps people make new friends. On social media, people can easily find others who share common hobbies and interests around the world. Therefore, I agree that people are feeling more connected than before because of social media.
