4	I think this trend will continue in the future. First, frozen foods can help people save time. When people are busy and do not have enough time to cook at home, frozen foods can be easily cooked in a short time. Second, the quality of frozen foods has been improving. Many companies selling frozen foods are competing with each other. As a result, the taste of frozen foods is getting better. Therefore, I think frozen foods will become more and more popular in the future.
