| 4 | These days, some students take advantage of AI programs to help them write reports. By doing so, students can quickly receive answers to their questions and easily gather information from a variety of sources. However, some students may receive incorrect information and lose the opportunity to improve their writing skills.   |
| 5 | I agree that it is important for tourists to learn the language of the countries they are traveling in. First, people can get a deeper travel experience. By speaking the local language, they can talk to local people and understand the local culture better. Second, tourists can save time while they are traveling. For example, if they can communicate in the local language, they do not have to waste time trying to make themselves understood. Therefore, I think tourists should learn the language of the countries they are traveling in. |
