5	I think more people will use a museum's audio service. It can provide information for visitors in many different languages. By the way, I would like to ask two questions. What time does the museum open in the morning? Does it have discount tickets for students?
6	Yes, I think so. First, watching quiz shows on TV can help children learn new information. They can discover things they might not learn in school. Second, watching quiz shows can be a good way for children to interact with their families. Watching quiz shows together encourages children to talk with their parents in a relaxed atmosphere.
