4	More people are using AI in everyday life. It is helpful because it gives us quick answers or solutions. However, we may lose the habit of thinking for ourselves if we always depend on it.
5	I think that it is better for people to bring bags from home. I have two reasons. First, plastic bags make a lot of garbage. This is bad for the environment, so we should bring our own bags instead. Second, some stores charge money to use plastic bags. If we bring our own bag, we can save money.
