4	Some people use earphones in public places. They are useful because people can enjoy music without disturbing others. However, they should pay attention to their surroundings while using earphones not to get into an accident.
5	Yes, I think so. Learning about Japanese culture is fun. There are so many beautiful things in Japanese culture, and students will find out that Japan is a very interesting place. Also, Japanese students will be able to explain Japanese culture better to foreigners. The students have more chances to communicate with foreigners even in Japan.
