4	Camping has become very popular among people of all ages. It is good to experience nature and take a break from daily life. However, they need to be careful of injuries when handling camping equipment.
5	No, I do not think so. I have two reasons. First, many Japanese railway companies provide train information on the Internet. Foreign visitors can check how to use stations in Japan before arriving. Second, announcements in English and other languages are increasing in stations. Foreign visitors can have a smooth trip even if they do not know Japanese.
