5	I think more restaurants will use online ordering with smartphones in the future. Restaurants can save money by reducing the number of servers. I have two questions. What time did the dinner start? How many kinds of drinks were served at the dinner?
6	Yes, I think so. First, flowers on city streets help people feel calm and reduce stress. People feel relaxed when there are many colors and nice smells around them. Second, flowers can help people experience the seasons and changes in the city streets. People look forward to spring because they will have the chance to take pictures of cherry blossoms.
