4	Smart home devices are becoming popular in modern homes. They make life easier for people. However, a problem is that they may not work correctly if people do not set up and operate them properly.
5	Yes, I think it is important for people to learn to cook. First, learning to cook can help people eat healthier. People can choose fresh foods and control what goes into their meals to stay healthy. Second, having cooking skills can save money. Preparing meals at home is often much cheaper than eating out at restaurants.
