4	Writing letters is still a common activity for many people. It is beneficial because people can feel special. However, it can cause communication problems in daily life because letters take a long time to arrive.
5	I think living in one place for a long time is better. First, living in one place helps people build strong relationships with others. People can make close friends and know their neighbors well. Second, changes in life can cause various problems. For example, changing schools can make it difficult for children to keep up with their studies.
