		(25)	3
		(26)	1
	B	(27)	2
		(28)	4
		(29)	1
		(30)	3
		(31)	4

4	Looking at museum collections online is now very popular. People can enjoy various works of art without spending much money. However, they cannot feel the real atmosphere of the museum, so they feel less excited.
5	I think electric bicycles are more useful for people. First, people can avoid getting as tired. They will be able to go up hills easily, even on hot days. Second, people will save a lot of time with electric bicycles. They will be able to ride faster and travel further in one day.
