4	<p>I think these machines will become more common. First, renting umbrellas can be good for the environment. Many plastic umbrellas are thrown away and wasted every year. With the introduction of these machines, people can reuse umbrellas and reduce waste. Second, it is convenient for people in the case of sudden rain. Even if people do not have an umbrella and cannot buy one from a shop nearby, they can rent one at the station. Therefore, I think machines that rent umbrellas at stations will become more common in the future.</p>
